Make Westbrook Streets SAFER!

Let's take the first steps together to tackle our city's most dangerous streets, intersections and crosswalks!

Join Westbrook, MaineDOT and the Bicycle Coalition of Maine to address the recent spike in pedestrian/vehicle crashes. Safety really is a two-way street and we want to hear your ideas about dangerous locations and the dangerous habits of pedestrians and motorists. You'll leave with reflective safety gear and the satisfaction of knowing you've made Westbrook streets safer!

May 4, 2017, 6 PM - 8 PM
Westbrook Middle School
(471 Stroudwater Street)

FMI: The Bicycle Coalition of Maine, 623-4511.
